

# **“Hereford on the Mountain”**

**“Hereford on the Mountain”** will be held at 4:30 p.m. on August 5, 2017 at the home of Tommy and Kim Coley. 1284 Stage Coach Road, Sewanee, Tennessee 37375.

The Coley’s host this event annually to give breeders in Tommy’s territory a chance to stay current on information and programs available from the American Hereford Association. It is also a great chance to visit and exchange ideas with other breeders and enjoy an evening of fellowship.

This year’s program is packed with great speakers that will give us some food for thought.

**Terri Barber**, Pres. AHA, will lead of the program and she will fill us in on what’s going on at AHA.

Then we are going to have an open panel discussion on “Selling Hereford Bulls.” Members of the panel are:

**Denny Hoffman**, Hoffman Herefords, Thedford, NE; representing production sales.

**Tommy Mead**, Mead Cattle Enterprises, Midville, GA; representing selling private treaty.

**Hardy Edwards**, HME Herefords, Winterville, GA; representing selling at bull test stations.

**Bobby Singleton**, Singleton Marketing, Medina, TN; representing selling in production sales.

**Jack Ward**, Executive V.P. AHA, will wrap up the afternoon with a discussion on keeping our customers once we get them and what we as breeders could be doing to help them market their feeder cattle.

The program will be followed by a time for socializing, live music, a “Dutch treat” Certified Hereford dinner and more socializing.

Once again this year we will play cow chip bingo with half the proceeds going to winner and half to support Gospel Partners and their orphanage. (Squares are \$20/each.)

All Hereford enthusiast are welcome!
