

Tennessee Beef Agribition Hereford Sale
Yearly Results/Statistics
2013 - 2015

The THA Board of Directors wishes to thank all the consignors, buyers, picture-takers, ringmen, those clerking and collecting money, and any others who participated or contributed in an way to making the 2015 Tennessee Beef Agribition Hereford Show and Sale a success--THANKS! A special thank you goes to the Agribition Committee and the Sale Manager, for another "job well done!" The results of this year's sale as compared to the previous two sales, is provided below. It appears that we sold a few less cattle this year than we did in 2013 and 2014, but our overall sales and average sales were higher, and based on the comments heard throughout the sale barn, the quality of the cattle just keeps getting better every year. This is a tribute to the hard work and dedicated effort that was put forth by those of you who coordinated the show and sale, and to those of you who consigned cattle.
